Additional W/T Trainer for KIBITZ Program

REF: MGFA-6501

1. Reference memorandum contains a request for the assignment of an additional W/T instructor to the KIBITZ program.
2. As you know, there has been for some time one such instructor assigned to this program. However, it now appears that the demand for the training of W/T operators will greatly increase during the present summer and for some time thereafter.
3. It will be appreciated if you will have the responsible officer of your division investigate the possibilities.
